Answer

National Skill Development Mission has envisaged Training to Trainers (ToT) as one of its major activity. Training of Trainers programs and processes have been formalized and mandated to Sector Skill Councils (SSCs) for implementation. Under Pradhan Mantri Kaushal Vikas Yojana (PMKVY), each trainer would have to undertake training and certification on domain skills as well as platform skills.

Further, there are 47 (31 Central, 4 State and 12 Private) Institutes in the Country with annual capacity of training of 11,868 trainers across various trades in the Country.
